

Science in the Service of Animal Welfare

Animal Welfare Student Scholars' Meeting 8th December 2010 University of Glasgow

Featuring talks by students who undertook UFAW Animal Welfare & HSA* Dorothy Sidley Student Scholarships in 2010

Topics of talks include:

- Does hunger induce a depressive-like state in broiler breeders?
- Examining the 'pain face' of the dog
- Veterinary practices and anaesthesia protocols: assessing stress and pain in dogs in neutering programmes in developing countries
- Impact of environmental enrichment on boldness in a captive reared fish
- Assessment of the incidence of post-stun behavioural reflexes in electrically stunned broilers in commercial conditions and the correlation of their frequency with the applied waterbath electrical parameters

Free. Each talk will last approx. 15 minutes. Finish approx. 5.30pm. Places limited
