

Personal registration and subscription activation on Ingenta Connect

In order to access your personal subscriptions online, you must complete a one time simple 2-step process.

1. Register

Go to: www.ingentaconnect.com/register/personal

Enter your information in the fields provided

Choose a username and password (username/password must be at least 5 characters)

Click on the 'Register' button at the bottom of the page.

You will receive an email from Ingenta thanking you for registering on Ingenta Connect.

2. Activate Subscriptions

Click the 'Activating Personal subscriptions' link.

The screenshot shows the Ingenta Connect website interface. At the top, there is a navigation bar with the Ingenta Connect logo, a shopping cart icon, and links for 'My Account', 'Help', and 'Contact us'. Below the navigation bar is a search bar and a 'Browse by' section with options for 'Publication', 'Publisher', and 'Subject'. The main content area is titled 'Personal Registration' and includes a 'Thank you.' message and a confirmation that registration was successful. A list of links for account management is provided, with 'Activating Personal subscriptions' circled in red. Other links include 'Adding New Issue alerts' and 'Entering payment details, and claiming institutional deposit accounts'. On the right side, there is a 'THIS PAGE IS SECURE' notice, a 'My Account' section showing the user is signed in as 'tester tester', and a 'Key' section with a legend for content types: Free content (F), New content (N), Open access content (OA), Subscribed content (S), and Free trial content (T). At the bottom, there is a 'Share this item with others' section with social media icons and a 'Print this page' button.

Click the 'Add' tab.

The screenshot shows the ingentaconnect website interface. At the top, there is a navigation bar with the logo and links for Shopping cart, My Account, Help, and Contact us. Below this is a secondary navigation bar with Home, About us, a search box, and options for Publication, Publisher, and Subject. The main content area is titled 'Personal Subscriptions' and features two tabs: 'Current' and 'Add'. The 'Add' tab is circled in red. Below the tabs, it states 'You have no personal subscriptions.' To the right, there is a sidebar with a user login status, a 'My Account' link, a 'Key' section with icons for content types (Free, New, Open access, Subscribed, Free trial), and a 'Text size' selector. At the bottom, there are social sharing icons and a 'Print this page' button.

Search for or browse to the journal title(s) you subscribe to.

This screenshot shows the same ingentaconnect website, but with the 'Current' tab selected. The 'Add' tab is now inactive. The main content area provides search instructions: 'Find the publication to which you subscribe:'. It offers two search methods: 'Publication title beginning with' followed by an alphabetical index (A-Z), and 'Containing the word(s)' followed by a text input field and a 'Go' button. Below this, there is a section for 'Connect Collections' with a brief description and a 'Find out more >' link. Another search option is provided: 'Publisher name beginning with' followed by another alphabetical index. At the bottom of the search area, the letter 'A' is displayed in a box, and a 'back to top' link is visible. The sidebar on the right remains the same as in the previous screenshot.

Enter your publisher subscription number in the box provided to the right and tick the box to the left of the journal title, and click the 'add' link at the top or bottom of the journal list.

Personal Subscriptions

Current Add

Step 2: Check the box on the left to select a title
If a text box is displayed to the right of the title, please enter your subscription number. If no box is displayed, then no subscription number is required for this title. Please click **add** to submit the form once you have made your choices.

S indicates a subscription to this title has been activated. If you wish to claim additional access under this subscription please proceed as above.

[Connect Collections](#)

Connect Collections are subsets of ingentaconnect's full journal list, usually themed by subject, and offered either by a single publisher or by a group of co-operating publishers. Each group of journals can be licensed as a collection, allowing specialist libraries to expand their holdings in specific subject areas at consortial prices. [Find out more >](#)
