

ANIMAL WELFARE STUDENT SCHOLARS MEETING

Wednesday 11th December 2019

University of Edinburgh

The Roslin Institute, College of Medicine and Veterinary Medicine, Easter Bush Veterinary Centre, Easter Bush, EH25 9RG, UK

Featuring talks by students who undertook UFAW & HSA* Student Scholarships in 2019

Topics of talks include:

- Social bonds in pigs and their effect on health and welfare
- Pre-purchase motivations of dog owners and those who have had to relinquish their dog
- To determine current implementation of stress reducing practices during the consulting experience for UK canine and feline veterinary outpatients
- Validating heart rate variability and behavioural changes as an indicator of affective state using the judgement bias test in dairy cattle
- To range or not to range – Exploratory behaviour in chickens
- Comparing health and welfare of pigs farmed in conventional systems and in organic systems with no access to outdoors

Talks will last approximately 15 minutes. 10.30am – 4.00pm. FREE. Refreshments provided
